### **Bay3000 is on the Leading Edge PMBOK® Guide 3rd Edition Standards**

Toronto, Canada (February 3<sup>rd</sup>, 2005) – Bay3000 Corporate Education, the leading provider of leadership and project management consulting and training announced today a series of educational workshops designed to help our clients understand the latest industry standards contained within Project Management Institute's (PMI®) PMBOK® Guide 3rd Edition.

This gives organizations who have implemented PMBOK® based methodology the knowledge necessary to align and update their methodologies with best practices. In addition, by this early education, organizations and individuals can be better informed about emerging standards as well as gain an appreciation of the impacts of the 3<sup>rd</sup> Edition on the Project Management Professional (PMP®) Examination.

Bay3000 experts are already at work updating our popular PMP® Exam Preparation courses to also align with the PMBOK® 3<sup>rd</sup> Edition Standards. Since 1999, Bay3000 has been the leader in bringing up to date, practical knowledge to the project management profession.

In addition to its extensive curriculum of courses, Bay3000 also announces companion consulting services for organizations that do not have time resources to update their methodologies or assess the impacts of the new Standards and want to leverage the experience and knowledge of our experts.

### **About Bay3000 Corporate Education**

Bay3000 is focused on improving the ability of organizations to execute their strategies and their vision. Bay3000 believes that effective project management drives business performance and is a fundamental enabler for effective change management.
