Bay3000 Consulting Inc. Has Been Named A Global-Charter Registered Education Provider Of The Project Management Institute

Toronto (June 20, 2003) – Bay3000 Consulting Inc, a leading provider of project management consulting and training solutions announced that the Project Management Institute (PMI®), the leading nonprofit professional association for Project Management, has awarded Bay3000 the Global-Charter Registered Education Provider (R.E.P.) status, the highest education provider status offered by PMI®. With this announcement, Bay3000 is approved to provide training courses and self-directed learning tools for use by over 100,000 PMI® members and other project management stakeholders.

As a Global-Charter member of PMI's® Registered Education Provider program, Bay3000 is supporting PMI's® new Professional Development Project-Program (PDP). This program supports the ongoing professional development of Project Management Professionals (PMPs®) and the maintenance of PMP® certification. Bay3000's extensive curriculum on project management is aligned with the Project Management Institute's (PMI®) "A Guide to the Project Management Body of Knowledge" (PMBOK® Guide). The curriculum includes effective preparation for PMP® Certification, which is the project management profession's most globally recognized and respected certification credential.

To obtain PMP® certification, an individual must satisfy education and experience requirements, agree to and adhere to a PMP® Code of Conduct, and pass the PMP® Certification Examination. Over 16,000 PMPs® provide project management services in 26 countries. PMI® requires that PMPs® accrue a minimum of 60 Professional Development Units (PDUs) every three years in order to maintain certification. PMPs® completing Bay3000 courses accrue one PDU for each hour of Bay3000 course duration.

About PMI®

Since its founding in 1969, Project Management Institute (PMI®) has grown to be the organization of choice for project management professionalism. With over 100,000 members worldwide, PMI® is the leading nonprofit professional association for Project Management. PMI® establishes Project Management standards, provides seminars, educational programs and professional certification that more and more organizations desire for their project leaders. PMI's® R.E.P. Program is designed to enhance the ongoing professional development of PMI® Members, Project Management Professionals (PMPs®), and other project management stakeholders through participation in various learning experiences and activities related to the field of project management.

"PMI" is a registered trade and service mark of the Project Management Institute, Inc. which is registered in the United States and other nations. "PMP" and the PMP logo are a certification marks of the Project Management Institute, Inc. which are registered in the United States and other nations.

"PMBOK" is a trademark of the Project Management Institute, Inc. which is registered in the United States and other nations.
