Bay3000 Expands to Expanded and Innovated Training Facilities

Toronto, Canada (November 3rd., 2004) – Bay3000 Corporate Education, the leading provider of leadership and project management consulting and training announced today the opening of its 10,000 sq. ft. Training & Research Centre in Toronto. The new facility is Toronto's most inspiring training and meeting centre and includes a dedicated Customer Resource Lounge and Center, six fully equipped training rooms, and the offices of the exceptional training & development staff. Bay3000 has experienced significant growth and is now one of Canada's most recognized and admired Corporate Education companies.

The new Bay3000 Training & Research Centre is conveniently located in Toronto, with fast access from all major highways as well as accessible by Public Transportation. In addition to being the home for the Bay3000 training courses, the training rooms may also be rented by organizations for their off-site workshops and meetings. With its high ceilings, phenomenal skylights, and inspiring student lounge, customers who visit the Training Centre to attend courses are already coming back to rent the facilities for their other company meetings and off-site needs.
