About Canadian Project Excellence Awards & Conference

The Canadian Project Excellence Awards and Conference (**CPEX**) is the only Enterprise Project Conference in Canada. The CPEX Awards is an annual competition that recognizes project achievements which demonstrate the highest level of merit and ingenuity. It is also a joint collaboration between private industry and government agencies. Nominations for awards provide the opportunity to bring public attention to the outstanding projects delivered by Canadian firms.

The goal of this milestone event is to connect individuals and organizations from all industry, business, and government sectors to learn critical best practices from leading experts in the field, to share knowledge with each other, to **network with their peers and business leaders**, and to celebrate achievements made by Canadian Projects.
