2009 Canadian Project Excellence Awards & Conference has changed the delivery format

Markham, Canada – December, 2008 – Bay3000 Corporate Education is the managing sponsor of CPEX 2009 and proudly announces that the conference will take on a new enhanced format. A more flexible arrangement has been developed with respect to the many years of feedback from attendees. In order to provide an intensive yet all inclusive information session, two half day sessions per CPEX day will be the offering for this year. In addition, instead of a two (consecutive) day conference there will 4 CPEX days spread out throughout the year with the potential to attain up to 28 PDU's. The CPEX 2009 will close with the Awards presentation on November 2, 2009. Nominations for CPEX 2009 are open and forms can be downloaded at www.cplex.ca.

About Canadian Project Excellence Awards & Conference

The Canadian Project Excellence Awards and Conference (**CPEX**) is the only Enterprise Project Conference in Canada. It is aimed at assuring business success through excellence in Project, Program and Portfolio Management.

The goal of this milestone event is to connect individuals and organizations from all industry, business, and government sectors to learn critical best practices from leading experts in the field, to share knowledge with each other, to **network with their peers and business leaders**, and to celebrate achievements made by Canadian Projects.

CPEX fills a void by serving as the meeting place where Executives and their teams come together to exchange ideas, discuss strategic alignment and execution, and learn best practices. This unique event is geared to Senior Management involved with Strategic Planning and Project Portfolio Management. **CEOs, CIOs, CFOs, leaders of Project Offices, Quality Management, Business Planning, and Change Management** will discover how to maximize the potential for projects to deliver their intended returns.
