YRT's VIVA honored at 2006 Canadian Project Excellence Awards (CPEX)

Toronto, ON (April 24, 2006) Bay3000 Corporate Education, a leading provider of management and leadership training and development and this year's managing sponsor of CPEX, proudly announces the recipient of this year's Award for Environment is the York Regional Rapid Transit Corporation's VIVA project. The award will be presented on the final day of CPEX, April 27th, at the Ontario Science Centre. The objective of VIVA is to remove people from their cars and for them to make the choice of using public transit instead. Features of VIVA are its clean burning fuel vehicles, innovative queue jumping system, automated signal priority, and high frequency.

According to Gina Davidovic head of the CPEX selection committee and Vice President of Solutions for Bay3000 Corporate Education, "Viva is an innovative first step to improve the quality of life for Canadians, and will have long-term positive impact on the environment by helping to reduce gridlock and promote sustainable development." VIVA has worked closely with environmental authorities to ensure good environmental planning by minimizing any adverse effects on the surrounding natural and social environments, and increasing beneficial effects that enhance the mobility, quality of life, safety and security of all potential users of the transit facilities.

As managing sponsor of CPEX 2006 Bay3000 is pleased to honor York Region Rapid Transit Corporation as we all look forward to this exciting event. The CPEX Awards ceremony and reception takes place the evening of Thursday April 27th at the Ontario Science Centre.

About Bay3000 Corporate Education
