Bay3000 Consultants invited to speak at PMI Global Congress.

Toronto, ON (March 1, 2006) Bay3000 Corporate Education, a leading provider of management and leadership training and development, is proud to announce that Rita Trudeau, PMP and Gina Davidovic, PMP have been invited to lecture at the Project Management Institute's (PMI) Global Congress in Bangkok, Thailand. The seminar entitled *Essential Facilitation Skills for Project Managers* will be conducted March 2-3, 2006.

As Vice President of Operations, Ms. Davidovic oversees the development and execution of Bay3000 Corporate Education's training and consulting services, which include, competency or skills assessments, custom course design and customization, software selection services, and general consultation and advisory services. As Senior Consultant for Bay3000 Corporate Education, Ms. Trudeau has worked with a broad range of industries and has a track record of proven successes in technology, government, pharmaceuticals, banking and financial services, insurance, retail, health care, telecommunications, manufacturing and others.

Ms. Davidovic and Ms. Trudeau are regularly invited to speak at PMI events. PMI Global Congresses are the profession's premier educational and networking events. Congress topics (Areas of Focus) are a mix of global and regional concerns for those in the project management profession. Presentation styles range from the familiar lecture format to case studies and simulations.

About Project Management Institute (PMI)

Vital and forward thinking – focused on the needs of project management professionals worldwide; that's the Project Management Institute of today. We've long been acknowledged as a pioneer in the field and now our membership represents a truly global community with more than 200,000 professionals, representing 125 countries. PMI professionals come from virtually every major industry including, aerospace, automotive, business management, construction, engineering, financial services, information technology, pharmaceuticals, healthcare, and telecommunications.
